

Petersfield Museum is following advice from the Government and Public Health England about the outbreak of Coronavirus (COVID-19).

Petersfield Museum Project Office is currently operating remotely, so if you need to contact one of the Museum team, please email us at one of the email addresses below or failing that, telephone the Project Office and leave a message. We will get back to you as soon as we can.

All forthcoming Museum talks and events are postponed until further notice.

Please follow latest Government instructions.

All UK citizens have been instructed they may only leave their homes for the following specific reasons:

- Shopping for necessities - as little as you can
- One form of exercise a day – run, walk or cycle, alone or with members of your household
- Medical needs for you or a vulnerable person
- Travelling to and from work “only where absolutely necessary” and for work that cannot be done from home.

For the latest Government advice, please visit: www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response

If you are concerned about your health please visit 111.nhs.uk/ or, if you do not have access to the internet, please call 111.

We have a duty to protect our staff and all those associated with the Museum so, should advice change, we will update our website.

This is an unprecedented and rapidly changing situation and we thank you for your understanding.

Please stay safe and healthy.

If you have any questions, please email us at:
