

...to Petersfield Museum's transformation

As part of the Museum's £2.56m expansion and improvement programme – '**Pathways into the past**' – we are offering you the opportunity to make an indelible mark on this visionary project. Make a donation and have a brick engraved with your name or that of a loved one. The front of the museum and the courtyard area will incorporate and feature prominently, as part of the surface design, all personalised bricks.

Naturally there is a limited space available, so we will be dealing with applications on a 'first come, first served' basis. Act now to secure your place in a much visited environment that will last for generations!

There are 3 ways to make your mark...

Personally

For individuals, couples and all generations of families, this is a unique chance to name a brick yourself or immortalise family members whilst supporting Petersfield Museum in its plans to modernise and expand, as an enhanced visitor attraction. Name a brick for a suggested minimum donation of £30. If naming several bricks, the suggested minimum donation reduces to £25 each brick, which includes the costs of engraving and laying the brick in a paved area at the front of the museum.

Societies, clubs, organisations

A terrific way to show your support for your local museum's ambitious plans, these bricks will also feature in the unique courtyard design that is based on an illustrated map celebrating our area's historic and cultural heritage, at the heart of the museum (*see artist's impression, left*). Suggested minimum donation of £30.

Business

A prime location and opportunity to demonstrate your backing and goodwill by naming a brick in our unique courtyard surface design celebrating the area's historic and cultural heritage, at the heart of the museum. (*See artist's impression, left*). Suggested minimum donation of £75.
